## THE RARE WINE CO. HISTORIC SERIES MADEIRA

To emphasize America's deep historical connection to Madiera, each wine in the series is named for a U.S. city where Madiera was popular in the 18th and 19th centuries. Thus, Charleston Sercial and Savannah Verdelho celebrate the South's love of drier Madeiras, while Boston Bual and New York Malmsey acknowledge the North's appreciation of sweeter Madeiras.
